Sliding Fee Discount Application

It is the policy of Complete Family Medicine to provide essential services regardless of the patient's ability to pay. Discounts are offered based on family size and annual household income. Please complete and return the application to the front desk within two weeks of the date you received the application to determine if you or members of your family are eligible for a discount. If you have insurance, it will still be billed unless we are notified otherwise.

The Sliding Fee Discount Program will only be made available for outpatient clinic visits (office visits, laboratory, and imaging services), but not those services, supplies, or equipment that are purchased from outside, including, but not limited to, reference laboratory testing, drugs, and x-ray interpretation by a consulting radiologist, and other such services. Discounted services would apply effective the date of application approval going forward.

This form must be completed every 12 months or if your financial situation changes.
