

Marriage and Family Therapy Informed Consent

Credentials: I, Morgan A. Gaeke, graduated from Saint Louis University in December of 2018 with my Master's in Family Therapy. I am a Provisionally Licensed Marital and Family Therapist (PLMFT) authorized by Missouri's State Committee of Marital & Family Therapists to see patients under supervision. MO License number: 2019030798. This process of gaining required experience for my full licensure as a marriage and family therapist takes at least two years. I am supervised by Dr. Katie Heiden-Rootes, PhD, LMFT, located at 517 Bismark Ave, Rock Hill, MO, 63119. MO License number: 2011037729, AAMFT-approved supervisor number: 137976.

By signing this document, you consent to psychotherapy with me.

Confidentiality: What's said in this room stays in this room. I may have to break this confidentiality if I have received a court order, if I suspect that you (or someone you know) have harmed a child, elder, or person with a disability, or if I believe that you or others are in imminent danger.

Scheduling: All scheduling will be done through the First Impressions team at the front desk at 660-665-7575. If you would like to leave a voicemail for me, the team member will transfer your call. If you need to cancel an appointment, please call 24 hours or more in advance. If you fail to properly cancel your appointment you will be assessed a \$15 late/no show fee that will need to be met before I will see you again, as agreed upon in the Complete Family Medicine Financial Policy. If this happens three times, we will discuss your commitment to therapy, and I will provide referrals for another professional. In the case of a true emergency resulting in cancellation, please notify us at the first reasonable opportunity.
